

GDPR, Europe's Vision on Data Privacy!

June 5, 2017

Doing some literature research, I created a presentation on GDPR based on information of the European Commission. Using information from Microsoft, there is an overview on the impact of GDPR on its technology stack and the level of GDPR compliance.

Content:

- What is GDPR?
- Why GDPR?
- GDPR addresses what?
- What must a company do?
- Impact?
- GDPR in practice!
- Additional Information Resources
